INTRODUCTION

Carolina-Virginias Broadband Membership Association, Inc. (CVBMA) was incorporated on May 27, 1957 as a non-profit, tri-state trade association for the rural telephone and broadband companies in North Carolina, Virginia and West Virginia. The mission of the association (CVBMA) is to provide education and dissemination of information to managers and directors of member companies.

CVBMA's membership is comprised of the rural telephone and broadband companies in North Carolina, Virginia and West Virginia, as well as businesses (associate members) that provide goods and services to the telecommunications industry.

Carolina-Virginias Broadband Membership Association, Inc.

CVBMA 2025-2026 PRESIDENT

PRESIDENT
WHITNEY E. KING
Director
FOCUS Broadband
Shallotte, NC

Whitney E. King of Ash, North Carolina, was elected as President of Carolina-Virginias Broadband Membership Association (CVBMA) in 2022. Mr. King is a life-long farmer and, along with his brothers, operates King Farming Enterprises, LLC, a diversified row-crop farm operation in Brunswick County, N.C. He has served on FOCUS Broadband's Board of Directors since 2015 and was named President of the Board of Directors in 2022. Mr. King has served in leadership roles on the boards of the Tobacco Growers Association of North Carolina, the North Carolina's Southeast Regional Economic Development Partnership, and the Brunswick County Hospital Authority, where he served as Chairman.

He is a graduate of the University of North Carolina at Chapel Hill. He and his wife, Suzanne, live in Ash, Brunswick County, N.C.

Segra is one of the largest independent fiber bandwidth companies in the U.S. Representing a successful merger of Lumos Networks and Spirit Communications, the company now has the most advanced fiber network infrastructure of over 21,000 miles that connects more than 9,000 on-net locations and 44 data centers throughout nine Mid-Atlantic and Southeastern states. Segra provides Ethernet, MPLS, dark fiber, advanced data center services, IP and managed services, voice and cloud solutions, all backed by its industry-leading service and reliability. Customers include carriers, enterprises, governments, healthcare organizations, defense, education and small businesses.

Zhone Technologies, Inc. (NASDAQ: ZHNE) is a global leader in multi-service access network (MSAN) solutions, serving more than 700 of the world's most innovative network operators. The company offers the industry's only fully-integrated portfolio of MSAP, FTTx, EFM, and Wi-Fi access technologies, enabling a full suite of services, including residential and business broadband, VoIP, and High-Definition IPTV. Zhone's converged multi-service access platform helps operators rapidly deploy premium services using copper, fiber, and wireless while improving network agility and reducing costs. Based in the United States, Zhone is the only vendor in the industry whose MSAP platforms are all manufactured in the USA, and our facilities are emission, waste-water and CFC free. www.zhone.com.
